

DISPATCH MEDIA GROUP NAMES ABITEC CORPORATION A WINNER OF THE COLUMBUS TOP WORKPLACES 2021 AWARD

Columbus, Ohio, July 14, 2021 - ABITEC Corporation has been awarded a Top Workplaces 2021 honor by Columbus C.E.O. Magazine. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

"At ABITEC we pride ourselves on a culture that is focused on its people and in all situations our people come first, because they are our most valued asset. We not only want to keep our employees safe and happy, we want them to value their jobs here and know their contribution to our organization matters. Hearing the voice of your customers is important, yes, but hearing the voice of those who keep your business going, that is vital. We are thrilled to be ranked as a top workplace in Columbus because we know those results came straight from the voices of those showing up every day to make us a better business, a better supplier and better people."

-Jeff Walton, ABITEC CEO
